To the Annual General Meeting of Gränges AB, corporate identity 556001-6122

We have examined whether the Board of Directors and the Managing Director of Gränges AB, have, for the year 2018, complied with the guidelines on remuneration to Group Executive Management, adopted at the Annual General Meeting on 4 May 2017 and the Annual General Meeting on 3 May 2018, respectively.

Responsibilities of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for compliance with the guidelines and for the internal control the Board of Directors and the Managing Director determine is necessary to ensure compliance with the guidelines.

Auditor's responsibility

Our responsibility is to issue a report, based on our examination, to the Annual General Meeting regarding whether the guidelines have been complied with. The examination has been performed in accordance with FAR's recommendation RevR 8 *Granskning av ersättningar till ledande befattningshavare i aktiemarknadsbolag* (Examination of Remuneration to Group Executive Management in Listed Companies). Those standards require us to comply with the ethical requirements, and also to plan and perform the examination in such a manner that we may obtain reasonable assurance about whether the guidelines on remuneration have been complied with. The firm applies International Standard on Quality Control 1 and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

The examination has covered the company's organization and documentation of issues concerning remuneration for Group Executive Management, new decisions concerning remuneration, as well as a selection of the financial year's payments to Group Executive Management. The procedures selected depend on the auditor's judgement, including the assessment of the risk that the guidelines have not, in all material respects, been complied with. In making this risk assessment, the auditor considers internal control relevant to the company's compliance with the guidelines in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

We believe that our examination provides a reasonable basis for our conclusion.

Conclusion

In our opinion the Board of Directors and the Managing Director of Gränges AB have, during the year 2018, complied with the guidelines on remuneration to Group Executive Management, which were adopted by the Annual General Meeting on 4 May 2017 and 3 May 2018, respectively.
